September 2, 2017 - Met with Nueces County Emergency Management Coordinator Christopher Boyce and Deputy Coordinator Melissa Munguia this afternoon at the Nueces County EOC. At this point Mr. Boyce did not feel that there were any environmental concerns that they would need assistance with, but appreciated EPA reaching out to them. Their contractor, Crowder Gulf, will be starting "vegetation" debris pickup next week which should last about 4-6 days. M. Boyce did ask if EPA could echo any of their social media and media information about the debris pickup to assist in a widespread dissemination of their information.

**\*\*Mr. Boyce also suggested I reach out to the following individuals to connect with their Liaisons – wanted to check with any of you to see if this been done yet before I contact them.**

City of Port Aransas – Rick Adams [radams@cityofportaransas.org](mailto:radams@cityofportaransas.org)  
Robstown Fire Chief Richard Gonzales [rgfirechief@cityofrobstown.com](mailto:rgfirechief@cityofrobstown.com)  
Corpus Christi EMC Coordinator Billy Delgado [BillyD@cctexas.com](mailto:BillyD@cctexas.com)

I am waiting on J. Sagle and B. Asby-Fisher to reach back.  
Janie
